Email: info@colorlord.com
Web: www.colorlord.com

1.4 Emergency telephone

+44 (0)1706 666620 (Office hours)

2. HAZARDS IDENTIFICATION

Not classified as hazardous as supplied.

The Little Brian Gooley Glue Washable PVA conforms to all relevant parts of the European Toy Safety regulations (EN71).

The product may cause soreness if in contact with eyes.
Repeated/prolonged skin contact may cause de-fatting and lead to irritation.

3. COMPOSITION/INFORMATION ON INGREDIENTS

Components	CAS Numbers	Proportion
Water	7732-28-5	
Polyvinyl alcohol	9002-89-5	
Polyvinyl acetate emulsion	N/A preparation	
Plasticiser	27138-31-4	
Preservative	52-51-7/55965-84-9	<15ppm

4. FIRST AID MEASURES

Inhalation

Remove to fresh air. Consult a doctor if the symptoms persist.

Skin contact

The adhesive can be removed from skin with warm soapy water.

Eye Contact

Wash with copious quantities of water for several minutes; if irritation persists seek medical attention.

Ingestion

Clean mouth with water and give water to drink, do not induce vomiting. Consult a physician if the amount is significant or the affected person appears unwell.

5. FIRE FIGHTING MEASURES

The adhesive constitutes a low fire hazard as it is an aqueous dispersion and hence non-combustible.

Use extinguishing measures that are appropriate to the environment. Do not use high volume water jet.

In the event of a fire: fire-fighters should wear self contained breathing apparatus, chemical protection suit, boots and gloves.

Dried adhesive films are combustible but represent no special hazard.

6. ACCIDENTAL RELEASE MEASURES

Environmental precautions

Prevent ingress into drains and watercourses where possible.

Remove large spillages by pumping into a suitable vessel.

Methods for cleaning up

Absorb small spillages using paper roll, sand, earth or similar absorbent materials for disposal according to local regulations, (see section 13), and then wash the remainder away with copious quantities of water.

7. HANDLING AND STORAGE

7.1 Handling

Avoid eye contact and repeated/prolonged skin contact.

7.2 Storage

Store the adhesive indoors, in the original closed container.
Protect from frost.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

8.1 Exposure limit values

Product contains <0.1% free monomer and has no specific exposure issues.

8.2 Exposure controls

No special requirements given the intended use of the product.
Individuals with extremely sensitive skin should consider wearing suitable gloves.

9. PHYSICAL AND CHEMICAL PROPERTIES

9.1 General information

Appearance

Milky white viscous liquid

Odour

Slight Vinyl Acetate odour

9.2 Important health, safety and environmental information

Specific gravity	:	between 1 and 1.1g/ml
Boiling point	:	100°C
Water solubility	:	miscible

10. STABILITY AND REACTIVITY

The adhesive is stable under normal conditions and use. There are no specific conditions or materials which, if encountered would result in a dangerous reaction.

11. TOXICOLOGICAL INFORMATION

No specific information is available for the Little Brian Goey Glue Washable PVA medium. Information on the components and our long term experience indicates low acute toxicity.

Repeated or prolonged skin contact may cause de-fatting and lead to slight skin irritation.

12. ECOLOGICAL INFORMATION

In the quantity supplied and considering the adhesives intended use, we consider there are no significant adverse effects.

13. DISPOSAL CONSIDERATIONS

Dispose of any unwanted material and/or residue from spillages in accordance with local regulations.

14. TRANSPORT INFORMATION

No special precautions are required.

15. REGULATORY INFORMATION

Not classified under regulations relating to dangerous substances and preparations.

16. OTHER INFORMATION

The Little Brian Gooney Glue Washable PVA conforms to all relevant parts of the European Toy Safety regulations (EN71).

Individuals with allergies or sensitivities to particular substances should contact us on +44 (0)1706 666620 for more detailed information on the components of the preparation.
