2. Composition/information on ingredients

This preparation does not contain any substances presenting a health hazard within the meaning of the Dangerous Substances Directive 67/548/EEC.

3. Hazards identification

This preparation is not classified as dangerous according to EC Directive 88/379/EEC.

4. First aid measures

General: In all cases of doubt, or when symptoms persist, seek medical attention. Never give anything by mouth to an unconscious person.

Inhalation: not applicable

Skin contact: wash with water and soap.

Eye contact: remove contact lenses, irrigate, copiously with clean, fresh water for at least 10 minutes, holding the eyelids apart and seek medical advice.

Ingestion: if accidentally swelled, obtain immediate medical attention. Keep at rest.

5. Fire-fighting measures

Suitable extinguishing media: water, foam or dry powder.

Recommendations: exposure to decomposition products may cause a health hazard. Appropriate breathing apparatus may be required.

6. Accidental release measures

Do not allow entering drains or water. Clean preferably with a detergent; avoid use of solvents. If the product contaminates lakes, rivers or sewages, inform appropriate authorities in accordance with local regulations.
